11 RESPONSE TO 04/05/2006 OFFICE ACTION

12

13 REMARKS

14

15 In response to the Office Action dated April 5, 2006 regarding 2nd Non-responsive Amendment,
16 which refers to the Office Action dated 01/10/2006 regarding Non-responsive Amendment,
17 "failure to list claims, which are readable on the elected invention of figure 72", please
18 considering the following:

19

20 Applicant agreed that many of claims 66-187 did not read on Figure 72, and responded by
21 canceling claims 66-187 and submitting new claims beginning with Claim 188, expressly written
22 to read on the elected invention of figure 72.

23

24 Claims 188-314 are all readable on Applicant's election invention of Figure 72 as indicated in
25 paragraph 4, page 2 of Applicant's January 20, 2006 faxed Amended Response to Patent
26 Examiner's January 10, 2006 Office Action.

27

28 The Supplemental Amendment mailed to Patent Examiner on February 21, 2006 added new
29 claims 315-334; and amended claims 203, 271, 311, 312 and 314, all readable on Applicant's
30 election invention of Figure 72.

31

32 Amended claims 203, 271, 311, 312 and 314 retain readability on Applicant's election invention
33 of Figure 72, and new claims 315-334 are each readable on Applicant's election invention of
34 Figure 72.
